**By Albert R. Roberts : Social Workers' Desk Reference** license requirements for licensed independent clinical social workers the new social worker magazine publishes articles on social work careers social work education social work ethics technology books and more published quarterly Social Workers' Desk Reference:

0 of 0 review helpful Great resource By Jenn I'm majoring in Human Services so I have a lot of papers I need to write with scholarly resources This book has been a lifesaver and is filled with a wealth of information I'm very glad I

purchased it 0 of 0 review helpful I would recommend this reference to other Social Workers By Moonbeam The Social Workers Desk Reference Following in the groundbreaking path of its predecessor the second edition of the Social Workers Desk Reference provides reliable and highly accessible information about effective services and treatment approaches across the full spectrum of social work practice. Succinct and illuminating chapters written by the field's most respected and experienced scholars and practitioners ensure that it will continue to be the sourcebook for all social workers. This enhanced edition continues to provide students, teachers, and practitioners an effective resource tool reflecting best practices in the social work field. It continues the tradition of the 1st edition by providing the reader the most up to date information.
