By Fred Wulczyn, Richard P. Barth, Ying-Ying T. Yuan, Brenda Jones Harden, John Landsverk : Beyond Common Sense: Child Welfare, Child Well-Being, and the Evidence for Policy Reform child welfare introduction child welfare and education an historical overview of government aboriginal relations special treatment for aboriginal children child welfare and foster care systems; community change; early childhood initiatives; economic supports for families; home visitation and maltreatment prevention Beyond Common Sense: Child Welfare, Child Well-Being, and the Evidence for Policy Reform:

Helping vulnerable children develop their full potential is an attractive idea with broad common sense appeal. However child well-being is a broad concept and the legislative mandate for addressing well-being in the context of the current child welfare system is not particularly clear. This volume asserts that finding a place for well-being on the list of outcomes established to manage the child welfare system is not as easy as it first appears. The overall thrust of Helping vulnerable children develop their full potential is an attractive idea with broad commonsense appeal. However child well-being is a broad concept and the legislative mandate for it is not clear. This volume asserts that finding a place for well-being is
