From Yale University Press : Feminist Perspectives on Jewish Studies part of a series of articles on jewish feminism; advocates; list of jewish feminists; groups; bat shalom; center for womens justice; national council of jewish women the jewish feminism that started within the jewish community seems to have become part of the bigger feminist movement taking place in america Feminist Perspectives on Jewish Studies:

This book is the first to evaluate the development of feminist scholarship in various fields within Jewish studies. Eminent scholars in biblical studies, rabbinics, theology, history, literature, sociology, anthropology, philosophy, and film studies assess the state of knowledge about women in each field, analyze how this knowledge has affected the mainstream of the discipline, and propose new questions and concepts to pursue. The authors Joyce Antler and Lynn From the Back Cover. This book evaluates the development of feminist scholarship in various fields within Jewish studies. Eminent scholars in biblical studies, rabbinics, theology, history, literature, sociology, anthropology, philosophy, and film studies assess
