By John E. Buschman : Dismantling the Public Sphere: Situating and Sustaining Librarianship in the Age of the New Public Philosophy (Contributions in Librarianship and Information Science) Dismantling the Public Sphere: Situating and Sustaining Librarianship in the Age of the New Public Philosophy (Contributions in Librarianship and Information Science):

1 of 1 review helpful Repairing Civic Engagement By kathleen I use this book in my classes on community building Buschman provides intellectual understanding of the public sphere in the context of librarianship The work of J uuml rgen Habermas forms a meta framework for this book This work presents a thorough examination of librarianship and

the social and economic contexts in which the profession and its institutions operate As a basis of analysis Buschman employs critical education scholarship and the research of German philosopher Jurgen Habermas whose seminal work on the public sphere the arena in which the public organizes itself and formulates public opinion serves as a meta framework for Buschman's study of librarianship Buschma John E Buschman thoroughly examines librarianship today Buschman discusses how the library has moved from a model of contributing to the public good to one dictated by economics he also analyzes how a focus on customer driven librarianship is eroding th
