In recent years nationalism has emerged as one of the dominant issues of our time. In this lucid and balanced account David McCrone lays out the key issues and debates around a subject which is too often obscured by polemic. Among topics covered are classical and contemporary theories of nationalism, nationalism and ethnicity, nationalism and the nation state, colonial and post-colonial nationalisms, neo-nationalism and post-communist nationalism. McCrone's book is a very valuable overview and update of the literature on nationalism. Choice About the Author David McCrone is Reader in Sociology and Head of the Sociology Department at Edinburgh University. He is
