pages of several sets of copies etc see more Implicit Meanings (Mary Douglas: Collected Works):

Implicit Meanings was first published to great acclaim in 1975. It includes writings on the key themes which are associated with Mary Douglas' work and which have had a major influence on anthropological thought such as food pollution risk animals and myth. The papers in this text demonstrate the importance of seeking to understand beliefs and practices that are implicit and a priori within what might seem to be alien cultures.
