By Georges Duby : The Chivalrous Society chivalry or the chivalric code is an informal varying code of conduct developed between 1170 and 1220 never decided on or summarized in a single document chivalry derived through the french cheval from the latin caballus as an institution is to be considered from three points of view the military the

social and The Chivalrous Society:

4 of 4 review helpful A collection of scholarly articles some with valuable insights but others very dense and definitely not for the layman By Whitt Patrick Pond The Chivalrous Society is not a single work but a collection of articles by Georges Duby translated by Cynthia Postan one of the most prominent 20th century authorities on medieval history and culture Unfortunately many of the articles in this collection Georges Duby in productivity and originality stands at the forefront of active medievalists in France and in the world The present collection contains 15 of his short articles most but not all of which appear in English for the first time Of capital interest are his several essays that explore the evolution of nobility knighthood the noble family and the ideals of chivalry across the central Middle Ages They are both a summary and the point of departure Language Notes Text English French translation About the Author Georges Duby October 7 1919 ndash December 3 1996 was a French historian specializing in the social and economic history of the Middle Age
