**By Oliver Dickinson : The Aegean Bronze Age (Cambridge World Archaeology)** what does the ancient aegean world in the west have to do with the biblical world in the east quite a lot according to aegean archaeology specialist louise hitchcock what caused the bronze age collapse a recent study of pollen grains in sediment cores beneath the sea of galilee and the dead sea provides a new view of the bronze The Aegean Bronze Age (Cambridge World Archaeology):

Oliver Dickinson has written a scholarly accessible and up to date introduction to the prehistoric civilizations of Greece. The Aegean Bronze Age saw the rise and fall of the Minoan and Mycenaean civilizations. The cultural history of the region emerges through a series of thematic chapters that treat settlement, economy, crafts, exchange and foreign contact and religion and burial customs. Students and teachers will welcome this book but it will also provide the idea.
