**By Kathleen E. Hull : Same-Sex Marriage: The Cultural Politics of Love and Law** read five key facts about same sex marriage two years after us supreme court issued a landmark ruling that granted same sex couples the right to marry the marriage same sex couples act passed through both houses of parliament this week and received royal assent

it is now the law of england and wales Same-Sex Marriage: The Cultural Politics of Love and Law:

0 of 0 review helpful Insightful By Andrew Kathleen Hull has done an exceptional job in producing this insightful work on same sex marriage I consider it exceptional for the single reason that my approach to it was bias but not homophobic and convincing enough to understand the external and internal arguments of same sex love and the law I therefore have a more informed and intelligent understanding of this subject In Fierce and often ugly battles are being waged especially in the United States over who is allowed to marry what marriage signifies and where marriage is headed Kathleen Hull examines these debates and data from interviews with over seventy people in same sex relationships to explore the cultural practices surrounding same sex marriage and the legal battle for recognition Arguing that the cultural and legal dimensions of marriage are closely intertwined she shows Kathleen Hull's study of the commitment and spousal practices of same sex couples in the United States is a welcome addition to the general field of socio legal studies and specifically to the development of a comparative political sociology of lesbian and
