By Julie Cummins : The Inside-Outside Book of Libraries get in touch with a person at ingram publishers retailers libraries and educators find contact information here give includes catalogue hours and locations schedule of events volunteer opportunities The Inside-Outside Book of Libraries:

0 of 0 review helpful Buyer beware By wdhspg The sample pages include a picture of the main reading room of the New York Public Library that is absent from the copy of the book I received That picture was the main reason I ordered the book in the first place Now I see that the sample pages are from the hardbound edition and I ordered the

paperback Why it should have been excluded I cannot imagine A great disappointment A comprehensive look at libraries the purposes they serve and their history demonstrates the various types of libraries from the vast Library of Congress to a personal library at home and offers predictions about the future of libraries From Publishers Weekly Munro adds to her Inside Outside series with this portfolio of libraries located throughout this country lavishing on each her customary affection for architectural details Two spreads are devoted to each site the first shows the buildi
