studies program has tensions high Chicanas and Chicanos in Contemporary Society:

This book deals with a broad range of social issues facing Mexican origin people in the United States. The studies presented in this volume are brought together by two main themes: 1. social inequalities cultural, educational and economic endured by the Chicano/Mexicano community in the United States and 2. the community's efforts to eradicate the source of those inequalities. The second edition of *Chicanas and Chicanos in Contemporary Society* takes into consideration the second edition of Roberto De Anda's *Chicanas and Chicanos in Contemporary Society*, which successfully brings together recent research by young scholars focusing on key characteristics of the Mexican origin population in the United States. This collection t
