By Jim Sleeper : Liberal Racism: How Fixating on Race Subverts the American Dream download theses

mercredi 10 juin 2015 Liberal Racism: How Fixating on Race Subverts the American Dream:

14 of 14 review helpful Interesting issues about race and society By Jill Malter Liberals are supposed to believe in an inclusive society where we take advantage of the contributions from everyone in it And where each person has equal rights That surely does not mean lowering standards A doctor still has to meet standards to practice A university student still has to pass exams to qualify for a profession Liberalism seems poised for a renewal but its chances for creating a visionary program for the next century are jeopardized by racial contradictions and confusions that continue to appear in its social policy Instead of the colorblind society once promised by the left we inhabit a country seething with racial resentments With uncompromising clarity Jim Sleeper discusses what liberals need to do to return their political movement to the vital center Along the way A kind of sequel to Jim Sleeper's earlier *The Closest of Strangers* Liberalism and the Politics of Race in New York this is a tough minded provocative indictment of the failure of liberalism in the post Civil Rights era As Sleeper sees it lib
