**From Brand: SAGE Publications Ltd : Commodifying Bodies (Published in association with Theory, Culture & Society)** *Commodifying Bodies* (Published in association with Theory, Culture & Society):

Increasingly the body is a possession that does not belong to us It is bought and sold bartered and stolen marketed wholesale or in parts The professions especially reproductive medicine transplant surgery and bioethics but also journalism and other cultural specialists have been pliant partners in this accelerating commodification of live and dead human organisms Under the guise of healing or research they have contributed to a new prime ethic of parts prim The book is provocative compelling and theoretically sophisticated yet clear It would be excellent for advanced undergraduate and graduate courses Margot Weiss The book is provocative compelling and theoretically sophisticated yet clear I
