1 of 2 review helpful More expensive than most homesteads By Ashtar Command ldquo Encyclopedia of Community rdquo is a super expensive four volume encyclopaedia about intentional communities and related subjects It s probably too expensive for most communities to buy I bought the second volume from a British vendor so this review is based

on that volume only The main problem with this work is that ldquo co Sage Reference is very pleased to announce the Encyclopedia of Community a major reference work that summarizes everything we know about how we humans come together Community itself is a concept an experience and a central part of being human The encyclopedia covers communities of the past and present from 19th century utopians to the communes of the 1960 prime s to today prime s Rotary Club Amish and cyber communities Developed by award winning edit From Booklist Subject encyclopedias generally cover a well defined academic area historical period or topic The Encyclopedia of Community focuses on the hard to define concept of community and works to e
