Social Science Quotations has been prepared to meet an evident unmet need in the literature of the social sciences. Writings on the lives and theories of individual social scientists abound but there has been no fully documented collection of memorable quotations from the social sciences as a whole. The frequent use of quotations in scientific as well as literary writings that are mere summaries or paraphrases typically fail to capture the full force of formulations. Summum opus A dazzling momentous achievement Everything important that has been said in the social sciences will be found here. — Daniel Patrick Moynihan former U S Senator from New York Comprehensive authoritative and thought
