Chronology of Housing in the United States:

This chronology explores the development of housing in the United States from the arrival of the first settlers through the present day. It traces America's growth from its rural beginnings to its present suburban sprawl and discusses how the nation has dealt with the three major issues of housing development, water supply, sanitation and to a continually decreasing degree, defense. Additional topics include the effects of technological advances in the field of transportation and communication.

About the Author: Statistical analyst Russell O. Wright is the author of Chronology of Education in the United States 2006, Chronology of Public Health in the United States 2005, Chronology of Communication in the United States 2005.
