By James S. Pula : The Polish American Encyclopedia get information facts and pictures about poland at encyclopedia make research projects and school reports dec 13 2016nbsp;retrieved from The Polish American Encyclopedia:

3 of 3 review helpful A Comprehensive Volume on Numerous Aspects of the Polish American Experience By Jan Peczkis This single volume packs in a great deal of information biographical data on major and minor Pol Am personages of virtually every walk of life Pol Am cultural phenomena reviews of major Polish social organizations Polish American organizations relations of Poles and Pole Ams to other ethnicities statistic At least nine million

Americans trace their roots to Poland and Polish Americans have contributed greatly to American history and society. During the largest period of immigration to the United States between 1870 and 1920 more Poles came to the United States than any other national group except Italians. Additional large scale Polish migration occurred in the wake of World War II and during the period of Solidarity's rise to prominence. This encyclopedia features bold faced cross references in each entry, readers will find the frequency of illustrative photographs helpful. Library Journal About the Author James S. Pula is a professor of history at Purdue University North Central.
