By Keith Devlin : Infosense: Turning Information Into Knowledge Infosense: Turning Information Into Knowledge:

Information has been called everything from the new gold standard to the fundamental building block of the universe No matter where we live or what we do for a living it is ever present in our lives and many of us are barraged with it daily Yet few of us know how to distinguish information from mere data worthwhile communication or real

knowledge mdash in short few of us know how to make sense of it In InfoSense noted mathematician Keith Dev
