From Brand: Lexington Books : The American Founding and the Social Compact restoring the true meaning of the american dream so todays americans will apprehend the principles of liberty and freedom americas founding fathers the american revolution was a colonial revolt that took place between 1765 and 1783 the american patriots in

the thirteen colonies won independence from great The American Founding and the Social Compact:

0 of 0 review helpful Five Stars By Charles Richards Excellent Unlike many other books about the American founding this new work by two of the most prominent scholars of American political history emphasizes the coherence and intelligibility of the social compact theory Social compact theory the idea that government must be based on an agreement between those who govern and those who consent to be governed was one of the Founders few unifying philosophical positions and it transcended the partisan politics of that era Contrib This study is thoroughly researched it engages critically with the existing literature and it is convincingly argued Political Studies This book magnificently succeeds in restoring the politics of natural right as an intelligible and pe
