0 of 0 review helpful Further Light By Ezra Excellent book on symbolism in the three degrees of masonry including the definitions The book does seem to be way overpriced although it is hard to ascribe a dollar value to the content

You can purchase it at McCoy Publishing for 27 00 5 of 5 review helpful simply a must By Bernardo San Martin There are many books about At last an easy to read guide to the path of self knowledge and self improvement that is Freemasonry This volume takes the reader through each of the three degrees of Craft Freemasonry explaining how best to gain insight from the study and application of these teachings For the newly made Mason this book provides an explanation of the ceremony and a glossary of Masonic terminology It also provides a similar guide for future degrees of Masonic progression For t About the Author Julian Rees was born in London He was initiated in the Kirby Lodge in London was Master in 1976 and 1999 He has been a regular contributor to the quarterly magazine Freemasonry Today He was one of the founding members of the Cornerstone
