The A to Z of Homosexuality (The A to Z Guide Series):

The A to Z of Homosexuality provides a comprehensive survey of same sex relations from ancient China and Greece to the contemporary world. Philosophic treatments such as natural law and queer theory along with legal issues and court decisions are included. Global in its coverage of the variety of same sex relations, their legal treatment and social norms concerning same sex attraction, this reference includes a chronology, an introductory essay, a bibliography, and more. This installment in the A to Z Series 2001 is long overdue. Recommended CHOICE March 2010. The second edition of Gay and Lesbian Rights: A Reference Handbook is an excellent reference book well worth adding to a library.
