released 7th april 2015 label blue heron records reviewed june 2015 great songs by george gershwin cole porter and duke ellington is how this Ellingtonia: The Recorded Music of Duke Ellington and His Sidemen:

9 of 9 review helpful The place to go with questions on Ellington recordings By bukhtan This book fills in the gaps

left by dodgy or absent liner notes The main body of the text is a chronological list of Ellington band performances including the small ensembles under sidemen's names which were known to have been recorded and released by somebody at sometime somewhere The typical entry includes a title of an Edward Kennedy Duke Ellington one of the great composers and orchestra leaders of the twentieth century remained musically active through his entire life making it difficult to catalog his musical output completely This completely revised and updated fourth edition of Ellingtonia indexes the recorded music of Ellington and his sidemen and includes studio recordings soundtracks concerts radio broadcasts and private recordings as well as recordings made by a significant wealth of information all carefully documented and organized into a very easy to understand format If you love Ellington this book is a treasure Jazz Educators Journal a monumental achievement which all serious collectors
