## Readings:

1 of 1 review helpful I liked the price By Esra Burak and BABY melissa s reviews I purchased this book for a class in college It was way cheaper than what the school bookstore was selling it for Therefore I was pleased to save a lot of money I can t say if I liked the book or not it was mandatory for passing the class 0 of 0 review helpful Dense Like a brick By Laura This first truly multicultural anthology collects important readable texts representative of the full range of social theory from the nineteenth century to the present Now that social theory is practiced in many disciplines it is necessary to reflect on the variety of theories being read today and the earlier sources that are customarily neglected If today we read Donna Haraway Henry Louis Gates and Michel Foucault we should also read and understand Charlotte Lemert provides an illuminating introduction to the collection and introductions to each section that provide an overview of the socio historical context and delineation of key thinkers and texts in each period Combining important cl
