American Associations (Special -Reference):

1 of 1 review helpful A huge invaluable resource By Rashid Darden I purchased this great resource used at a great price and I suggest you do the same It s terribly steep in cost but I suppose if you re a library or research center you can afford it Anyway onto the point this is a fantastic resource for the joiners and the students of associations and organizations It s a huge 700 page volume with lots With information on over 500 organizations their founders and membership this unique encyclopedia is an invaluable resource on the history of African American activism Entries on both historical and contemporary organizations include African Aid Society African Americans for Humanism Black Academy of Arts and Letters Black Women s Liberation Committee Minority Women in Science National Association of Black Geologists and From Booklist Organizing Black America An Encyclopedia of African American Associations purports to be the most comprehensive reference work illustrating the rich history of these associations and their l
