Librarians:

Inspired by a new generation of librarians and children Walter reconsiders the legacy passed on by the matriarchs of children's services and examines more recent trends and challenges growing out of changes in educational philosophy and information technology. This thoroughly researched book includes the current issues and trends of Outcome based planning, Early literacy, Homework centers in libraries, Children's spaces, With extensive exp From Booklist This volume more than updates Walter's 2001 Children and Libraries, it revisits the nature of children addressing social changes and encouraging a new generation of children's librarians.
