package I was stunned to find this edition about 1/3 as thick as the original. Thinking that perhaps the publisher had used high quality extremely thin Tyvek paper or similar for waterproof purposes I wasn't too concerned but decided to Google Anarchist Cookbook to find that the original publisher had sold the Perhaps the most notorious How To manual on the market. This is the most asked for book that we know of. Is it any good? Well it's now in its 29th printing since 1971 has chapters on home preparation of weapons, electronics, drugs and explosives. Extensively illustrated 8.5 x 11 160 pp softcover. From the Author I have recently been made aware of several websites that focus on The Anarchist Cookbook. As the author of the original publication some 30 plus years ago it is appropriate for me to comment. The Anarchist Cookbook was written during 1968 and
