By Tori Randolph Terhune, Betsy A. Hays : Land Your Dream Career in College: The Complete Guide to Success

get the confidence boost you need with tips resources on how to change careers after 50 translate your skills into a new career and get started today take your career to new heights our expert advice will help you land a job navigate complicated work situations get a raise or promotion or jumpstart a new career Land Your Dream Career in College: The Complete Guide to Success:

0 of 0 review helpful Five Stars By Customer EXCELLENT BOOK should be required reading for every college freshman Contrary to what students and society are conditioned to think obtaining a college degree does not automatically result in a job let alone a dream career In the last year alone half of college graduates are either jobless or underemployed in positions that don't fully use their skills and knowledge Authors Tori Randolph Terhune a gainfully employed young college graduate herself and Betsy A Hays a college professor show readers what they can Every college undergraduate needs this book There is a widespread notion among college students that if you just take the right classes in the right order somehow at the end of your college experience you will magically land a job Not true
