From University of Toronto Press, Higher Education Division : Social Theory: Continuity and Confrontation: A Reader, Third Edition you could've added specific thoughts and view points of various sociologists along with their names bibliography for social and cultural aspects of drinking Social Theory: Continuity and Confrontation: A Reader, Third Edition:

1 of 1 review helpful For one of my hardest classes By Lirio I purchased this book for my social theory class this past spring. The readings are going to be tough at some point but the selection of readings and the concepts inside are fundamental to understanding society and its structures. That said if this book is a required text there's no way you can

avoid buying this It's probably going to be used heavily and it's going to be The third edition of this popular reader reflects considerable changes With over seventy readings representing a wide diversity of theorists it offers a breadth of coverage not available in other collections The framework for understanding theory as a set of conversations over time is maintained and deepened with a focus on key transitional theorists who helped pave the way from classical to contemporary theory New contextual and biographical materials surround it Garner and Hancock offer a selection of readings that are well chosen and wide reaching providing theoretical materials which reflect the continuing relevance of the classics and the contemporary expansion of the discipline but which also transcend strict di
