By Dimitris Ballas, Danny Dorling, Benjamin D. Hennig : The Social Atlas of Europe online atlas has maps of the countries of europe from the andes to zanzibar from kyrgyzstan to peru maps show where you are and where you want to go great for historical atlas of europe maps of mountains rivers cities and countries of europe and of the world 2000 pictures of towns and landscapes antique digitized maps The Social Atlas of Europe:

Many of us think of European countries as discreet entities — their own languages, cultures, food and economies — squarely contained within their national boundaries. But in fact, Europe is at once a unified place and a sophisticatedly fragmented one, and national boundaries rarely reflect its social and economic realities. The Social Atlas of Europe is the first atlas to map Europe according to these realities, from the perspective of human geography rather than political boundaries.
