As a celebration of Anne Thurston's pioneering work on records and archives management as an essential basis for demonstrating integrity in government this excellent volume brings together scholars and practicing archivists to discuss key issues around records as evidence for accountability transparency and the protection of citizens' rights. Never before have authors from the developing and developed worlds come together to explore the intersection of records. Anyone interested in understanding the strategic function of records management for democracy transparency and open government in a changing world and retracing the last 25 years history of recordkeeping as well as the proactive role played by Anne Thurston.
