FOLUSA's Friends of Libraries USA many friends groups are breaking new ground in connecting libraries and their communities. This book offers 101 ideas for advocacy, fundraising and membership campaigns, programs and public awareness events and projects to increase organizational effectiveness. For each activity you'll find a general description, an outline of the planning process, budget forecasts, expected results and sample forms, graphics and logos you can use. Chock full of samples of successful efforts for improving services and funding libraries through grassroots efforts, a recipe book on replicating the idea.
