**By Rodney Stark : What Americans Really Believe** on my first trip to england i was quite surprised to get a drink with no ice in it honestly that was the last time it happened to me it was 10 years ago gallup news service princeton nj about one third of the american adult population believes the bible is the actual word of god and is to be taken literally word What Americans Really Believe:

3 of 3 review helpful Worth your time By F Gwin I have checked out the other reviews specifically the 2 star ones which at time of writing consists of two reviews and I can say that they are accurate Stark presents great figures and research but he does draw some of his own strange conclusions into the data with his remarks However this book IS worth your time There are very interesting and thought provoking stati A shocking snapshot of the most current impulses in American religion Rodney Stark reports the surprising findings of the 2007 Baylor Surveys of Religion a follow up to the 2005 survey revealing most Americans believe in God or a higher power This new volume highlights even more hot button issues of religious life in our country A must read for anyone interested in Americans religious beliefs and practices From Publishers Weekly Sociologist Stark has been surveying and observing American religious beliefs and practices for 40 years This broad experience is reflected in the breadth of questions used to characterize contemporary American religious attitudes from t
