African American folklore dates back 240 years and has had a significant impact on American culture from the slavery period to the modern day. This encyclopedia provides accessible entries on key elements of this long history, including folklore originally derived from African cultures that have survived here and those that originated in the United States. Offers the most comprehensive compilation of resources on African American folklore in the for Libraries which already own Prahlad's three volume Greenwood Encyclopedia of African American Folklore should seriously consider acquiring this single volume as an update to that set considering the wealth of information here. A welcome addition to al
