## Exploring Gypsiness: Power, Exchange and Interdependence in a Transylvanian Village:

0 of 0 review helpful Hidden Gem packed with Insights By Michael DeLong Invaluable insights awesome find useful in my recent trip to Transylvania and working with Gypsies Romania has a larger Gypsy population than most other countries but little is known about the relationship between this group and the non Gypsy Romanians around them This book focuses on a group of Rom Gypsies living in a village in Transylvania and explores their social life and cosmology Because Rom Gypsies are dependent on and define themselves in relation to the surrounding non Gypsy populations it is important to understand their day to day interactions with The author successfully unpacks the grounds for exclusion and intermingling between ethnic identities and groups revealing the dimensions of agency within the apparently fixed and unassailable Roma category of being The book facilitates critical
