By Gillian Squirrell : Evaluation in Action: Theory and Practice for Effective Evaluation debates about ways of investigating cause and effect have been a feature of many international evaluation meetings in recent years its something ive been kirkpatricks learning and training evaluation theory donald l kirkpatricks training evaluation model the four levels of learning evaluation Evaluation in Action: Theory and Practice for Effective Evaluation:

Evaluation is a powerful tool. It can create considerable fear be used to decide how to allocate scarce resources be the forerunner of bad news or just be a means to preserve the status quo. But evaluation is always about people. It can empower the disempowered stimulate change and support democratic innovation and creativity. These are the elements that are emphasized in this book. Evaluation in Action will be of benefit to individuals early in their experience of
