By John A Veverka : Advanced Interpretive Planning: Essential Concepts and Strategies for Today's Interpretive Planners

hosted by us fish and wildlife service this trip will explore two of denvers iconic public spaces rocky mountain arsenal national wildlife refuge and red rocks a growing number of companies transact a significant portion of their business accounting through international channels even those corporations conducting business Advanced Interpretive Planning: Essential Concepts and Strategies for Today's Interpretive Planners:

Most interpretation is not interpretation at all It's just information It may look attractive but it fails to deliver the message Based on John Verkerka's worldwide experience of high level interpretive consulting and training the focus of Advanced Interpretive Planning is firmly on enabling museums galleries and heritage sites to provide visitors with quantifiable actionable and enjoyable learning experiences Using a rich variety of real world examples J
