Change Yourself. 3 climate change is not seen as a distant threat a global median of 51 say climate change is already harming people around the latest news and information from the world bank and its development work on climate change access facts statistics project Be the Change! Change the World. Change Yourself.:

0 of 0 review helpful Wonderful By Kim I bought this for my boss for Christmas He really likes the book and it is perfect fit for him 14 of 14 review helpful An Inspiring Call to Action By Paul E Terry Living in an age with 24 7 coverage of disasters wars and generally depressing news could easily be a recipe for national learned helplessness I m reading Be the C Be the Change celebrates the personal transformations of men and women who by working to change the world changed themselves Featuring interviews with over 1 000 volunteers from everyday people to business and

community leaders to celebrities the book combines hands on advice on ways to get involved with enlightening real life stories from those who did Inspirational yet practical it 's the perfect companion for readers who want to stop daydreaming. You're never too young, you're never too old. The book is a great road map and blue print on how to get started if you really want to do something — Al Roker, The Today Show. A great book filled with great ideas. The stories that follow
