**From Litwin Books : Queers Online: LGBT Digital Practices in Libraries, Archives, and Museums** Queers Online: LGBT Digital Practices in Libraries, Archives, and Museums:

In the 21st century there are more LGBT information resources than ever before. The challenges that arise both from the explosion of born digital materials and the transformation of materials from physical to electronic formats has implications for access to these resources for future generations. Along with preservation concerns making these numerous digital LGBT resources available to users becomes more difficult when they swim in an ocean of websites. EBooks digitized
