By L.L. Bucciarelli, N. Dworsky : Sophie Germain: An Essay in the History of the Theory of Elasticity (Studies in the History of Modern Science) srinivasa ramanujan was a largely self taught pure mathematician hindered by poverty and ill health his highly original work has considerably enriched number theory list of the greatest mathematicians ever and their contributions Sophie Germain: An Essay in the History of the Theory of Elasticity (Studies in the History of Modern Science):

Why should the story of a woman s role in the development of a scientific theory be written Is it to celebrate as some have done the heroism of a woman s struggle in a man s world Or is it rather to demonstrate that gender is irrelevant to the march of scientific ideas This book hopes to do neither Rather it intends to do justice both to the professional life of a woman in science and to the development of the theory with which she was engaged Technically this
