9 of 10 review helpful Transending contemporary departmentalism By delv worldnet att net in this thoughtful work the author the former dean of the graduate faculty of the new school for social research a political philosophy professor examines the work of each of these seemingly unconnected men and their attempts to understand and present

the human condition this work transcends specialization and is an important piece. It was probably Rousseau who first thought of dreams as ennobling experiences. Anyone who has ever read *Reveries du Promeneur Solitaire* must be struck by the dreamlike quality of Rousseau's meditations. This dreamlike quality is still with us and those who experience it find themselves ennobled by it. Witness Martin Luther King's famous "I have a dream." Dreaming and inspiration raise the artist to the top rung in the ladder of human relations. That is probably the previous
