**By A. E. ; Robert S. Brumbaugh, Foreword Socrates Taylor : Socrates** a brief discussion of the life and works of socrates with links to electronic texts and additional information socrates 469 399 bce socrates is one of the few individuals whom one could say has so shaped the cultural and intellectual development of the world that Socrates:

0 of 0 review helpful Good Background By JWall00 Not exactly fun to read It provided lots of background but left me feeling I didn t know any more about Socrates than I did before I read it That isn t really the author s fault since there is very little good information about him in the first place 0 of 1 review helpful Five Stars By rblk Great price and great co This brief popular study of Socrates by Alfred Edward Taylor was first published in Britain in 1933 In the first section on Socrates early life Taylor creates a very full picture of Socrates in his younger years much more specific than most modern experts believe is justified In the next section covering Socrates trial and death Taylor does a good job of elucidating the political and legal issues of the trial In the final section Taylor elaborates on Socrates
