Science of Producing Breakthrough Copy (Without Criticism):

0 of 0 review helpful A few things to consider before publishing copy By Andrew Smith In a conversation with the guy who got me into marketing I referred to myself as his copy cub He swiftly shot down that idea He said copy cub undergo intense verbal brutalization He said it makes you want to quit But if you last you ll come out a polished copy writer The thought of going through that to learn copy writing Back in the old days of direct marketing producing copy was a long painstaking ordeal What s more training a copywriter to write good copy was just as slow often taking two to four years and generating lots of hurt feelings Copy Logic The New Science of Producing Breakthrough Copy Without Criticism eliminates both of these problems It is far and away the best and fastest way to improve copy and cut a copywriter s learning c
